## WELCOME CAPTAINS

Dear AI VR League Captains of Season One,

We are thrilled to welcome you as the chosen captains of our AI VR League for the upcoming season. We are excited to have you on board and appreciate your dedication to the league.

Your leadership and passion for your team is integral to the league's success, and we are committed to providing an exceptional experience for players and fans. Your experience and teamwork will contribute to the league's growth, and we're eager to see the exciting matches and moments you and your teams will create.

Throughout the season, you can expect support from our league organizers, access to the latest AI VR League information, and opportunities to connect with other captains and players in the community. Your input and feedback are highly valued as we work together to elevate the AI VR League experience.

Thank you for being part of this incredible journey. We can't wait to witness your skills, strategies, and sportsmanship. Best of luck to you and your team, and let's make this season unforgettable!

Sincerely,

***The AI VR League Organization***

## CAPTAIN'S RESPONSIBILITIES

1. **Team Management:** Select and manage a team of players, ensuring a balanced roster of skilled players.
2. **Strategy Development:** Develop game strategies, tactics, and plans for the team's success in game matches.
3. **Communication:** Facilitate clear communication within the team, including in-game callouts and pre-match briefings.
4. **Training and Practice:** Organize and lead regular training sessions to improve team coordination and individual skills.
5. **Scouting:** Scout opponents to gather information on their playstyle and strengths/weaknesses.
6. **Player Development:** Help team members improve their game skills through coaching and feedback.
7. **Game Analysis:** Review match footage and analyze gameplay to identify areas for improvement.
8. **Scheduling and Logistics:** Manage the team's schedule, including practice times, matches, and game arrangements.
9. **Conflict Resolution:** Address any disputes or conflicts within the team and work to maintain a positive team atmosphere.
10. **Represent the Team:** Be the spokesperson in league-related matters, meetings, and negotiations.
11. **Rule Adherence:** Ensure the team follows the league's rules and guidelines, including fair play and sportsmanship.
12. **Sponsorship and Promotion:** Seek sponsorship opportunities and promote the team through social media and other channels.
13. **Performance Evaluation:** Regularly assess the team's performance and make necessary adjustments.
14. **Fan Engagement:** Interact with fans and build a fan base for the team.
15. **Team Morale:** Maintain team morale and motivation, especially during challenging times.
16. **Long-term Planning:** Develop a long-term strategy for the team's success in the AI VR league.

***These responsibilities are essential for captains to effectively lead their AI VR league teams.***

## AI VR LEAGUE TEAM PLAYER'S RESPONSIBILITIES

1. **Skill Development:** Continuously practice and improve their gaming skills to compete at a high level.
2. **Teamwork:** Collaborate with teammates to develop strategies, communicate effectively, and coordinate actions during matches.
3. **Game Knowledge:** Stay up-to-date with the game's meta, rules, and mechanics to make informed decisions during matches.
4. **Equipment Maintenance:** Ensure their VR equipment is in good working order and troubleshoot any technical issues that may arise during gameplay.
5. **Sportsmanship:** Display good sportsmanship by treating opponents, teammates, and league officials with respect and professionalism.
6. **Competitive Play:** Compete in league matches and tournaments, striving to win and represent their team effectively.
7. **Practice Schedule:** Participate with regular practice schedules to refine their skills and strategies.
8. **Adaptability:** Be flexible and adapt to changes in-game updates, patches, or strategies.
9. **Code of Conduct:** Follow the league's code of conduct and rules to maintain a positive gaming environment.
10. **Media Engagement:** Participate in promotional activities, interviews, and social media engagement to help grow the league and their team's fan base.
11. **Analysis and Review:** Review gameplay footage, analyze mistakes, and strategize for future matches.

## AI VR LEAGUE CODE OF CONDUCT:

1. **Respect for Others:** Treat fellow players, league organizers, and spectators courteously, both in-game and in communication channels.
2. **Fair Play:** Play the game fairly and avoid exploiting bugs or glitches to gain an unfair advantage.
3. **No Cheating:** Cheating, using hacks, or any unfair advantage is strictly prohibited.
4. **\*\*No Harassment:** Do not engage in any form of harassment, including verbal abuse, threats, or discrimination based on race, gender, or other characteristics.
5. **Positive Communication:** Maintain positive and sportsmanlike communication during matches and in league-related discussions.
6. **Privacy:** Respect the privacy of others and do not share personal information without consent.
7. **Game Integrity:** Promptly report any suspected or observed cheating or rule violations to league administrators.
8. **Timeliness:** Be punctual for matches and events as scheduled by Captain and league organizers.
9. **No Smurfing:** Using alternate or low-level accounts to manipulate matchmaking intentionally is not allowed.
10. **Refrain from Toxic Behavior:** Avoid unsportsmanlike conduct, trolling, or excessive trash talk that could create a negative experience for others.
11. **Respect Guides and Decisions:** Follow the guides and decisions made by league administrators, even if you disagree with them. Disputes should be handled professionally.
12. **Good Sportsmanship:** Show good sportsmanship by congratulating opponents on their performance, win or lose.
13. **In-Game Etiquette:** Follow in-game etiquette specific to your game, such as not disrupting matches with unsanctioned actions.
14. **Use of Profanity:** Minimize profanity and offensive language, especially in public communication channels.
15. **Respect for Streamers and Casters:** If your league matches are being streamed or casted, respect the commentators and their role in promoting the league.
16. **Responsibility for Equipment:** Take care of your VR equipment and ensure it's in good working condition for league matches.
17. **Supporting the Community:** Encourage a positive and supportive community within the league.

These guidelines should create a respectful and enjoyable environment for all participants in the AI VR league.

*\*\*Discrimination and harassment of any kind can lead to immediate dismissal from a team and the league altogether if voted upon by a unanimous vote from Captains and League Organizers.*
